BRECKENRIDGE II

The Breckenridge Collection blends luxurious comfort with timeless style. Featuring a Leather Reclining Sofa, Console Loveseat, and Glider Recliner, each piece is built with hardwood and manufactured woods for durability. Choose manual or power recline with wireless chargers, adjustable headrests, and power controls. Top-grain leather covers key areas, with matching leather-like sides. Built-in storage, cupholders, a drop-down tray, outlets, and reading lights enhance modern convenience.

- **Enhanced Frame Strength and Durability:** Crafted with a combination of hardwood and manufactured woods, ensuring a sturdy and durable frame, providing long-lasting support and reliability for your furniture.
- **Affordable Luxury:** Enjoy top-grain leather on seats, arms, and footrests, with matching synthetic leather elsewhere for a stylish, durable, and cost-effective design—luxury without compromise.
- **Refined Elegance & Theater-Style Comfort:** This sleek leather seating blends modern lines with timeless nailhead trim, uniting classic and contemporary design. Wrapped in versatile neutral gray, it radiates understated luxury.
- **Superior Comfort and Support:** Pocket coil seat cushions provide exceptional comfort by individually encasing each coil, ensuring targeted support and minimizing pressure points for a more restful and tailored seating experience.
- **Ultimate Relaxation:** Enjoy a power recliner with an adjustable headrest, effortlessly finding your perfect position for lounging or reading at the touch of a button. Experience personalized comfort and seamless relaxation in style.
- **Total Convenience:** This feature-packed set offers storage, cupholders, a drop-down tray, outlets, and reading lights. Stay connected and relax without leaving your seat. The power version adds wireless charging for ultimate ease.

TAKAMI MOTION

Designed for both style and comfort, the Takami upholstery collection brings a perfect blend of durability, plush relaxation, and timeless appeal to your living space. Built with expertly crafted hardwood and plywood frames, each piece offers exceptional strength and stability for years of reliable use. High-density resilient foam and coil seat cushions, combined with a plush foam and feather blend back, create a luxuriously cozy seating experience. Effortless maintenance is key, with a choice of durable 100% polyester or vegan leather upholstery available in a variety of colors to suit your décor. Enjoy the ultimate in relaxation with smooth gliding or reclining functionality, while the sleek chrome handle allows you to elevate your footrest to the perfect position. Adjustable headrests ensure personalized comfort, adapting to your unique preferences. The tailored lines lend a contemporary touch, while the triple rolled back softens the look for a more transitional appeal, making this collection a versatile centerpiece for any home.

- **Expertly Crafted:** Our hardwood and plywood frames deliver unparalleled strength and stability, ensuring your furniture stands the test of time.
- **Cozy Comfort:** High-density resilient foam and coil seat cushions, combined with a plush foam and feather blend back, offer unmatched comfort and support.
- **Effortless Maintenance:** Choose from a variety of colors in either 100% polyester or vegan leather. Both combine lasting durability with plush comfort, ensuring your furniture stays looking fresh for years to come.
- **Unwind in Style:** Effortlessly glide or recline for ultimate relaxation. Elevate your footrest to the ideal position with the sleek chrome handle. The adjustable headrests adapt to your preferences, creating a fully personalized seating experience.
- **Versatile Style:** The tailored lines lend a contemporary flair, while the triple rolled back softens the look for a more transitional appeal

TITAN

Meet the Titan Motion Upholstery Collection—an unparalleled marvel in contemporary comfort. Crafted from dark gray leather-like breathable PU, this collection includes a dual recliner sofa, console loveseat, and glider recliner, available in both manual and power head and footrest options. The material is not only soft but also breathable, with thousands of tiny air holes preventing any sticky sensation. Accented by a charcoal contrast welt, the Titan collection brings a sleek, contemporary transitional style to your living space. The zero gravity ergonomic position provides a sensation of weightlessness, optimizing comfort and support by evenly distributing body weight. The wall hugger recline style ensures space efficiency by moving away and forward, leaving a minimal gap compared to standard recliners. Enjoy convenient features like a center sofa back cushion that drops down with a snack tray and cupholders, a console loveseat with a storage compartment and cupholders, and USB Type C charging ports. With cozy, extra-wide armrests featuring unique S shaping and cross-stitch and baseball stitch patterns, the Titan Motion Upholstery Collection seamlessly combines style with functionality for a truly comfortable living experience.

- **Built to Last:** Crafted with hardwood plywood and engineered wood frames, this sturdy construction is designed to support up to 350 lbs per seat, ensuring durability and longevity.
- **Soft, Luxurious Fabric:** This leather-look material, made from 100% easy-care polyester, is designed to be both breathable and comfortable.
- **Enhanced Comfort and Support:** Pocket coil cushions provide tailored support by contouring to your body, ensuring maximum comfort. Their independent coil movement evenly distributes weight and reduces pressure points, offering superior back and body support.
- **Contemporary Style:** Extra-wide track arms seamlessly transition into broad footrests, creating a distinct and modern silhouette. Contrasting welts accentuate the curves, adding a touch of sophistication.
- **Relax and Recline:** Indulge in ultimate luxury with this living room set's smooth reclining action and comfortable chaise footrests. In the power version, adjustable headrests are added, perfect for lounging in style, find your ideal position at the touch of a button.
- **Lifestyle Features:** The couch includes a drop-down cushion that reveals a convenient snack tray and cupholders. The loveseat's center console offers two cupholders and handy storage for remotes. In the Power Version, all pieces, including the recliner with its smooth gliding action, are equipped with USB ports to keep your devices charged.
